

Be a Sponsor for Winterfest 2010

Skaneateles Winterfest, coordinated by the Skaneateles Sunrise Rotary Club, has become a staple of Winter in Skaneateles. This year, Winterfest 2010 takes place Saturday, January 30th, 2010 with activities throughout the village and at the Community Center. Past Winterfests have included a Winter Carnival created by kids, for kids, snow sculptures, ice sculpture demonstrations, Taste of Skaneateles, a Winter Brewfest, coffee tasting, wine tasting, community emergency vehicle displays, Siberian Huskies dog sled demonstrations; Search & Rescue (SAR) dogs; stunt comedians, youth activities, pony rides, and many others. Stated simply, Winterfest is a great opportunity for local folks, particularly children, to enjoy a winter day in our beautiful Village.

To help offset costs of this event and contribute to our many service activities, the Skaneateles Sunrise Rotary Club seeks sponsorships at one of many levels. Among the many service activities our club offers each year include support of the local Food Pantries, Rotary Youth Exchange, Skaneateles Conservation Area, Rescue Mission, Charlie Major Nature Trail, Rotary Foundation, providing clean water to schools in Haiti & other worthwhile charitable causes and projects.

This year, Sponsor levels are: Diamond (\$500+), Platinum (\$300+), Gold (200+), Silver (\$100+), Bronze \$50+) and WF09 Supporter (\$25+). Sponsorships may be general or tied to a specific event. Any contribution is greatly appreciated.

Sponsors will be listed in the published program and in all related publicity prior to the date of the event. Sponsors will also receive Rotary Winterfest 2010 Certificates of Appreciation for the appropriate level.
